

4.2 Settling in

Our Settling in Policy

At Little Gillies our aim is to work in partnership with parents and carers to help them become familiar with the setting and offer a settled relationship for the child. We know children learn best when they are healthy, safe and secure, we build positive relationships with parents to ensure we can meet children's individual needs and help them settle quickly into nursery life.

All our staff know about the importance of building strong attachments with children. They are trained to recognise the different stages of attachment and use this knowledge to support children and families settling into the nursery.

Our settling in procedure includes:

- Allocating a key person to each child before they start.
- The key person welcomes and looks after the child, ensuring that their care is tailored to meet their individual needs.
- Reviewing the nominated key person if the child is bonding with another member of staff to ensure the child's needs are supported
- Providing parents with relevant information about the policies and procedures of the nursery
- Working with parents to gather information before the child starts on the child's interests, likes and dislikes and their favourite things available at settling sessions.
- Encouraging parents and children to visit the nursery before an admission is planned
- Planning tailored settling in visits and introductory sessions
- Welcoming parents to stay with their child. Settling in visits and introductory sessions are key to a smooth transition and to ensure good communication and information sharing between staff and parents
- Encouraging parents/carers to send in family photos to display to help settle the child
- Reassuring parents whose children seem to be take a little longer to settle in and developing a plan with them, for example shorter days, where possible
- Providing regular updates and photos of the children settling

4.2 Settling in

- Assigning a buddy/back-up key person to each child in case the key person is not available. Parents are made aware of this to support the settling process and attachment
- Respecting the circumstances of all families, including those who are unable to stay for long periods of time in the nursery and reassure them of their child's progress towards settling in
- Not taking a child on an outing from the nursery until he/she is completely settled.

All policies and procedures are implemented, reviewed and updated on an annual basis or in line with any changes to local and national guidance/legislation in conjunction with the registered person.

This policy was adopted at a meeting of Little Gillies
